

Jonathan's Landing teams with Habitat for Humanity PBC to sponsor the "JL Veteran Habitat Home" in Jupiter, FL.

Support the Troops

Make Memorial Day more than just a long weekend. Remember the Troops and Veterans overseas and the ones who have come home.

For most Americans the war is not a daily reality, it is something to watch on TV. But thousands of Troops are facing real risks in the field. For example, this summer the 4th ANGLICO Marine Reserve Unit of West Palm Beach will be deployed to Iraq for the 7th time. When they return home they face the same challenges of our society, including finding affordable housing in northern Palm Beach County.

Make a real difference – Support the “JL Veteran Habitat Home” [\(Fact Sheet\)](#)

Members of Jonathan's Landing have pledged to raise \$110,000 to build a new Habitat home in Jupiter for a veteran of the Iraq/Afghan war who is from northern Palm Beach County. What better way to say “thank you” to the brave men and women of our armed forces who have served so ably on our behalf.

This home should be ready in December 2008. We are halfway toward our goal and donations should be made payable to “Habitat for Humanity of Palm Beach County” noting the **JL Veteran Home**.
